

Advanced Curly Cutting Demo with Onita Luisi

British born American, Onita Luisi has brought her passion for curly hair to the USA. Onita is one of the select few certified American Board Certified Hair Colorists (ABCH) and has become a John Paul Mitchell Systems national educator. Onita's specialty is working with textured, curly hair, and her salon, Chips Salon, has become the destination for various, multi textured hair clients.

Her work has been published in American Salon, Cut & Dry, Launchpad, Estetica and many more publications. Onita has completed extensive training, holding both certifications with DevaCurl and Ouidad, among others. She educates stylists to remove the fear of working on clients with curly hair textures by teaching them the art of cutting and styling hair.
